MONTHLY READING CHALLENGE LOG
HEREFORD ELEMENTARY SCHOOL

Directions: Read! Read! Read!

Record your book titles and dates on which you spend 15 minutes reading. Your goal is at least 75 minutes a week, but don't forget to log your extra minutes. Let's see how many minutes Hereford can log together! Throughout the month, talk to your friends, family, and teachers about all of the cool things you've read! After telling them about your book, have them sign this page. Don't forget to get a parent/guardian signature too before turning this into your teacher at the end of each month!

When you read and return your completed book logs each month, you will be able to participate in the special activities listed on the back of this page!

Week 1

Date	Time
