Students are reminded that the course requests determines how the school's schedule is built, faculty is hired, and room assignments are made. Therefore, course change requests must be by March 20, 2020. Your course selections on this request sheet are your commitment to the course unless you adjust your request by March 20, 2020. After this date, changes are based strictly upon the availability of space. Taking several AP courses can be extremely demanding along with extracurricular activities and their commitment. Choose carefully, keeping in mind your abilities and commitment to the work. Deciding your classes are too demanding will NOT automatically result in a schedule change.

I understand the above commitment to the choices on this course request form.
