UPPER PERK

Achieves....

Upper Perkiomen School District Goals

Quality Teaching & Learning

We will provide teaching and learning opportunities for students and staff to yield growth on student achievement measures.

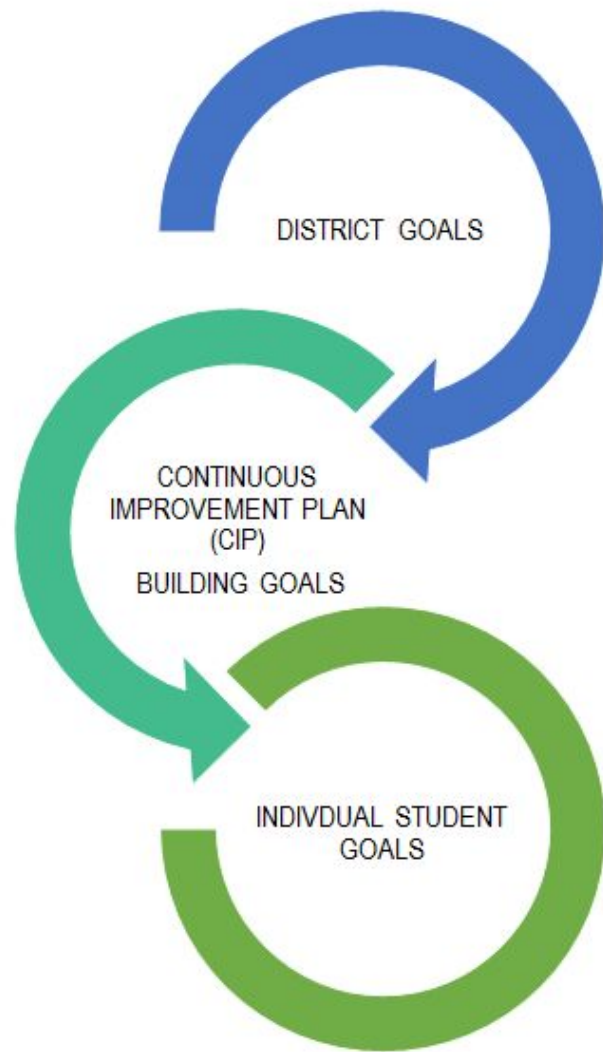

Social & Emotional Wellness

We will provide a safe and supportive environment that responds to student's needs.

College & Career Readiness

100% of students will graduate from Upper Perkiomen School District with the skills, knowledge, and understanding of how to pursue the college or career of their choice.

FRAMEWORK FOR SCHOOL IMPROVEMENT

A PROCESS WITH PURPOSE

This CIP is intended to be a vehicle to guide purposeful reflection regarding building/department performance that you lead. It sets a framework to explore, review, and explain any relevant data that impacts the success of your building/department. The intent is to help generate thinking specific to the district/building level programming.

Paramount to ensuring the fidelity of your continuous improvement plan (CIP) is to ensure that it is conceived, deployed, and monitored by you and your team. Additionally, what is critical to this process is to establish continuous improvement plans that are evidence-based and can have a measurable indicator of effectiveness associated with the expected outcome/goal.
