Transition Age Program for Youth with Autism

The **Transition Age Youth Program**, designed for youth ages 15-18, is an interactive therapeutic environment that provides psycho-education and community integration. Transition age enrichment opportunities include health/wellness, pre-vocational training, volunteerism and creative arts.

OPEN ENROLLMENT

Program hours: Monday through Thursday 3:00pm-6:30pm
Youth will be assigned to attend 3 days/week based on interests and class availability

Medical assistance funding is available for qualified applicants.

The TAY program begins immediately after school hours. Youth who attend school in Montgomery County are transported from their school to Indian Creek Foundation by TransNet, or by the school if within Souderton Area School District.

Contact Jessica McCarty at 267-203-1500 ext. 328 or jmccarty@indcreek.org for more information or to apply.
