

Andrea J. Farina, Ed.D  
Assistant Superintendent  
Goals: 2017-2018

Goal:

The Assistant Superintendent will foster relationships with staff and administrators district-wide through timely and consistent communication and visibility.

Goal:

The Assistant Superintendent will work with the administrative team and professional staff to create and implement the curriculum review cycle for all affected content areas.

Goal:

The Assistant Superintendent will create and deploy a comprehensive professional development plan focused on student achievement.

Goal:

The Assistant Superintendent will work with a cross-section of stakeholders (professional and support staff, parents, community members, and administrators) ensure completion of all required sub-components (Chapter 4, Induction, Professional Education, Special Education and Student Services) of the comprehensive plan.
