

2019 TEST PREP PROGRAMS: SAT, PSAT, ACT

Get prepared for the SAT or the ACT with our Academic Test Preparation programs. Designed for students in grades 10 through 12, you will learn effective test-taking strategies, grasp useful approaches for eliminating and guessing answers and gain real world practice experience utilizing previous years' questions.

SAT COMPREHENSIVE

This 21-hour course helps students prepare for all sections of the new SAT: math, critical reading, writing/language and the essay. Every lesson includes three components: instruction, guided practice and scored practice. No textbook is required. **Cost: \$358.**

SAT/PSAT GO FOR A PERFECT SCORE

In this 21-hour course, students will practice the most challenging SAT/PSAT questions, review esoteric problem types, memorize formulaic responses, seriously augment vocabulary and hone testing skills in critical reading, math and writing/language. This course is for students with about/near 1200 Selection Index on the PSAT or 1200 Cumulative Score on the SAT. **Cost: \$358.**

Recommended textbook: *Barron's SAT 1600: Go for a Perfect Score, 6th edition.* Go to mc3.edu/bookstore to purchase.

SAT/ACT COMBINED

This 26-hour course is for students planning to take both SAT and ACT exams. Instructions will be based on the similarities and differences between the two tests. Attention will be spent on the different areas in math and essay portion of the tests. **Cost \$416.**

VERBAL INTENSIVE

This 20-hour course targets all tested verbal areas: vocabulary, writing, critical reading, language usage and grammar. This course aligns more closely with the SAT, but is suitable for ACT Preparation as well. **Cost \$303.**

MATH INTENSIVE

This 20-hour course targets all tested math concepts and problem types. Students will practice extensively using actual SAT problems while improving math strategies and reasoning. This course aligns more closely with the SAT, but is suitable for ACT Preparation as well. **Cost \$303.**

ACT PREPARATION

In this 18-hour course, students will focus on all question types gleaned from published ACT exams. Students will practice the skills required for the ACT exam, while learning how to test confidently using proven strategies and elimination techniques. **Cost \$278.**
