What is included in the Free Reimbursable Lunch?

A lunch consists of five (5) items: A protein, fruit, vegetable, grain & milk. In order for it to be counted and charged as a lunch, the student may take all 5 selections (maximum), or Offer Vs. Serve

Offer vs. Serve: If students do not wish to take all 5 items, they may choose to take a minimum of 3 of the 5 selections (aka: Offer vs. Serve). If using the Offer vs. Serve option, then one of the three items chosen MUST be a fruit or vegetable.

PLEASE NOTE: If the above is not followed, it will not be considered a complete reimbursable lunch, and it will not be free. The student will be charged a la carte pricing.

Summer Meals Locator!

Summer Meal Programs help close the nutrition gap children face when schools let out for summer — when children no longer receive school meals they relied on throughout the school year.

Please use this information about the availability and location of free meals for students over the summer months through the Summer Food Service Program. All meals are completely free for ALL kids 18 and under. For the tool to look up site locations (using zip code), days and times, as well as the USDA National Hunger Hotline number, please visit the following website: www.fns.usda.gov/summerfoodrocks (note, this replaces the whyhunger.org website)
