

**Upper Perkiomen School District  
C&I Meeting Minutes  
November 26, 2018**

Approval of minutes

James Glackin motion

Steven Cunningham 2nd

**1) LinkIt! Parent Portal**

- Dr. Farina introduced the LinkIt! Parent Portal Access Feature
  - This feature was explained by Dr. Farina to accomplish the following
    - Increase in parent involvement
    - Documented performance measures
      - Test scores
      - Benchmarks Assessments
      - Standardized Assessments
    - Review test scores/assessments
  - Feedback for open-ended response
  - Teacher-generated vs packaged curriculum
- Potential Roll-out - next year opening day
  - Parent Forum/Clinic for access
  - Video tutorial posted to website

**2) Future PA Ready Index**

- Dr. Farina introduced the Future PA Ready Index, including its approval and development
- Shift from Academic to performance measures
- Evaluation now based on:
  - Standardized State Assessment Measures
  - On-track
  - College and Career Readiness
- 2030 Goal - Cut in half underperforming or double the number of students achieving the goal
  - Interim goals for growth
  - Color coding (see packet)
  - Building reviews:
    - Hereford
    - Marlborough
    - Middle School
    - High School
  - Dr. Farina went on to explain the building breakdowns of performance in accordance with state averages and goals.

- Interventions and Remediation (Instruction and Curricular) were reviewed and discussed
  
- Dr. Drake requests “action item” for Scheduling Update in terms of impact on instruction and performance. Is this idea associated with more money?
- How can we increase the rate at which curriculum is written in order to demonstrate improvement in math, particularly at the middle-level?
- Coaching for instruction? - Mr. Glackin’s suggestion.

James Glackin motion to adjourn

Steven Cunningham 2nd (8:03)
