What is included in the Reimbursable Lunch?

A lunch consists of five (5) items: A protein, fruit, vegetable, grain & milk. In order for it to be counted and charged as a lunch, the student may take all 5 selections (maximum), or Offer Vs. Serve

Offer vs. Serve: If students do not wish to take all 5 items, they may choose to take a minimum of 3 of the 5 selections (aka: Offer vs. Serve). If using the Offer vs. Serve option, then one of the three items chosen MUST be a fruit or vegetable.

PLEASE NOTE: If the above is not followed, it will not be considered a complete reimbursable lunch. The student will be charged a la carte pricing.

Join us for "School Lunches Across America" where we feature an entrée one day a month from another state! Ever wonder what another student halfway across the country is having for lunch today? Wonder no more!

This month features a sample from the Mountain Time Zone area, and the great state of WYOMING! The district is Big Horn Country SD, and the school is Greybull High School!
